being so small it seems inadvisable for Government to repair the Bank. I would therefore suggest that petitioner Ven Ratachiar be offered the option of repairing it himself with remission of the arrears due by him, or of having the land sold. In the former case a quit rent would only be imposed, in the latter he would have no right at all in the land.

From

Dated 31st July 1891.

The Deputy Commissioner
Bangalore District.

To

The Chief Secretary to the Dewan
of Mysore.

Sir,

With reference to your docket No. 3557/158 dated 19th July 1890, I have the honor to state that the Kodigi land referred to by the petitioner, belongs to Junnasandra village of the late Sarjapur Taluk, since transferred to the Anekal Taluk, consequently complete record could not be traced out. However, from the information available in the Registers a Precis has been prepared and, herewith, submitted for reference. From previous correspondence on the subject, the Kodigi tank appears to have been breached by Government in 1873, owing to its uselessness; and in 1874, the Kodgidar, Venkatachar, was called upon to furnish security to execute the repairs, as per Estimate

amounting to Rs: 394. He offered the Kodiya Iruan itself, but it was not accepted.

2. He was twice offered the whole achikat and the tank bed at dry rates, but would not take them up and solicited restoration of the tank. Owing to his lands not being cultivated, the petitioner withheld payment of his dues, amounting to Rs: 144/ up to date. No repairs have been executed to the tank and it is not in action.

3. As a quit-rent has been imposed on the Kodiya Iruan, the repairs of the tank presumably rest with the Government; but the Department Public Works, will not take up the work, as the revenue under the tank is too low. The petitioner is unable to do it himself. Pending final orders on the subject collection of dues from the Petitioner has been ordered by Government to be held in abeyance.

I have the honor to be

Your most Obedient Servant.

Prices of correspondence connected with the arrears due by Vencatachar, Kodigidar of Junnasandra village in the Anekal Taluk.

Report No. 13 dated 19th April 171.

The Amildar reported that about 4 kandies of wet land were held by Venkatachar on Candayem and on calling upon him to repair the tank he failed to do so but wanted the kandayem to be permitted. The Deputy Commissioner ordered that no remission could be granted and that Vencata char must repair the tank. The Amildar

Order No. 25 dated 25th April 171

Report No. 221 dated 8th February 172

reported that on complaint of Anniachar and Venkata char these papers were placed before the Jamabandy officer, who ordered that as no water could be stored in the tank, it was better to allow the bed lands to be

be given out for cultivation
The Amildar was directed
to report as to what rate Order No. 211 dated 9th August /73
should be fixed on the
lands which were deprived
of water supply and also
to state how much land
is held by Venkatachar
and whether the bed of
the tank was fit for
garden cultivation. The
Amildar submitted a Report No. 291 dated August /73
statement shewing the
prevailing dry rates to
be imposed with applications
received for the bed of the
tank. The Deputy Commissioner Order No. 262 dated 19th

The Deputy Commissioner

Order No. 76 dated 1st April/79 ordered to remit the arrears

of four years if he paid up

Kandayem of past two years.

Report No. 912 dated 12th December/79 The Amildar reported that

as Vencata Charry paid up

two years arrears the balance

was remitted and that he

wanted Government to repair

the tank or to reduce the

wet assessment to dry. The

order No. 912 dated 22nd December/79 Deputy Commissioner ordered

to fix dry rates on the wet

lands as the tank was in

Report No. 223 dated 3rd June/80 disrepair. The Amildar report-

ed that as the Petitioner was

unwilling to take up the

land at dry assessment no

alteration was made in

the accounts. The Amildar

reported that Venkatachar Report No. 225 dated 30th June /83

stated that he would suffer

a loss if the tank were not

repaired, as in its ruined state

even dry crops could not be

raised. The Amildar there-

fore requested to ask the

Department Public Works

to repair the tank. The

Amildar ~~was~~ informed order No. 242 dated 3rd August /83

that the Department Public

Works would not repair

the tank, as the Revenue

was very small.

3. The Amildar returned the Report No. 342 dated 9th August /83

record, after giving an

endorsement to the Petitioner
